

Your Pre-65 Retiree Health Care Benefits Book

This U.S. Benefits Book describes the Health Reimbursement Account and other benefits effective January 1, 2018, for retirees and their dependents who are under age 65*.

*If you are under age 65 and Medicare-eligible, please see the book titled "Your Medicare Retiree Healthcare Benefits Book."

ABOUT THIS DOCUMENT

This Summary Plan Description (SPD) provides general information regarding the health reimbursement arrangement (hereinafter referred to as the “Health Reimbursement Account” or “HRA”), available to pre-65 retirees and their pre-65 dependents, who are not eligible for Medicare, under the Motorola Solutions Post-Employment Health Benefits Plan (the “Plan”), and other benefit programs. This SPD also describes your eligibility for purchasing individual or family health coverage through Mercer Marketplace 365.

You shouldn’t rely on this information other than as a general summary of the Plan and other program features. This SPD describes the Plan benefits in effect as of January 1, 2018. Please see the prior SPDs and Summaries of Material Modifications (SMMs) for information concerning the applicable Plan provisions prior to that date. Subsequent SPDs or SMMs will be provided to advise you of changes in the Plan as required by the Employee Retirement Income Security Act (ERISA), as amended.

The Plan also provides benefits for retirees (and/or their eligible dependents) who have reached age 65 or who have otherwise become Medicare-eligible. The Plan’s post-65/Medicare benefit program is described in a separate SPD.

Your rights are governed by the terms of the applicable Plan documents. You should refer to the Plan documents for complete information on your rights and obligations under the Plan. If you have any questions concerning the Plan, these will be determined in accordance with the terms of the Plan documents — not this SPD. You may obtain a copy of the Plan documents upon written request to the Motorola Solutions Employee Service Center. There may be a reasonable charge for such copies.

In the event of any difference between the terms of this SPD and the Plan documents, the terms of the Plan documents will control.

No person has the authority to make any verbal or written statement or representation of any kind that is legally binding upon Motorola Solutions or the Plan or that alters the Plan documents or any contracts or other documents maintained in conjunction with the Plan.

Motorola Solutions, Inc. reserves the sole right, at any time, to amend, modify or terminate the benefit programs offered through the Plan, including those benefit programs described in this Benefits Book.

INTRODUCTION

Once you retire, coverage for you and/or your dependent(s) will no longer be provided directly through Motorola Solutions' group health plan. Instead, you and/or your eligible dependents will have the opportunity to purchase individual or family health care coverage through Mercer Marketplace 365 (Mercer). Beginning January 1, 2017, Motorola Solutions, Inc. will contribute to a Health Reimbursement Account (HRA) set up in your name — as long as you and your eligible dependents enroll in a medical plan through Mercer. You can apply the funds in your HRA toward the cost of your individual or family health coverage or to reimburse yourself for certain eligible health care expenses incurred during the year.

This approach offers you the opportunity to choose the coverage that best meets your needs from a variety of individual or family plans offered both through the private marketplace and through insurance carriers in your state.

This Benefits Book describes the benefits available to you and to your eligible dependents at the time you retire. The benefits for post-65 retirees (and their eligible dependents), and, retirees who are otherwise eligible for Medicare, are described in a separate Benefits Book. Please consult the *Medicare Retiree Health Care Benefits Book* for more information.

Inside this Benefits Book, you'll find detailed information about the HRA established in your name (or, in the event of your death, in your survivor's name), as well information about the contributions ("benefit credits") that Motorola Solutions will make to your HRA. You'll also find a short summary of the Mercer Marketplace 365 program, which will help you find and purchase health coverage for you and your dependents. *You must purchase coverage through Mercer Marketplace 365 to receive contributions to your HRA.*

This Benefits Book acts as the official Summary Plan Description (SPD) for the HRA, as required by the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The medical coverage options available through Mercer are not sponsored or maintained by Motorola Solutions, Inc

Mercer Marketplace 365 is a third-party health care coordinator that offers phone support and enrollment services at no additional cost to retirees to help you select health care insurance plans that best meet your needs. Mercer is also the HRA Administrator under the Plan.

Mercer Marketplace 365 is not affiliated with the federal and state exchanges or marketplaces, nor is Mercer affiliated with Motorola Solutions. The coverage options offered through Mercer are not sponsored or maintained by Motorola Solutions.

Introduction

When you retire from Motorola Solutions, and have met the eligibility requirements under the Plan, you have the opportunity to choose one of the following coverage paths for retiree medical:

- **Enroll within 60 days of your eligibility date (the 1st of the month after you terminate your employment) in the retiree Post-Employment Medical Plan and purchase individual or family medical coverage (and dental and vision coverage, if you so choose) through Mercer Marketplace 365:** If you purchase medical coverage through Mercer Marketplace 365, Motorola Solutions will contribute to a Health Reimbursement Account (HRA) from which you can be reimbursed for eligible health care expenses, including health care premiums. You must meet the Plan's eligibility requirements to receive HRA contributions. If you are age 65 or older when you retire or otherwise eligible for Medicare, see the separate *Medicare Retiree Health Care Benefits Book* for an explanation of post-65 or Medicare eligible retiree benefits.
- **Defer your enrollment and continue your active coverage under the Motorola Solutions Employee Medical Benefits Plan pursuant to COBRA:** This allows you to continue your medical coverage, generally for up to 18 months. See the *U.S. Health and Welfare Benefits Book* for details about COBRA under the Employee Health Care Plans. Remember: if you choose COBRA, you will be required to pay the full cost of your coverage, which will be higher than the rates you paid as an active employee.

Continuing coverage through COBRA may offer an advantage for the remainder of the year because you won't have to satisfy a new plan deductible or out of pocket maximum for the plan year.

You can then enroll in the retiree Post-Employment Medical Plan and purchase coverage through Mercer Marketplace 365 during the Open Enrollment period following your retirement (generally in November and December) or within 60 days of your exhaustion of COBRA.

- Employees who terminate their employment and receive subsidized COBRA medical coverage through the Motorola Solutions Involuntary Severance Plan, a Motorola Solutions Voluntary Separation Plan, or an individual agreement may enroll for coverage under the Motorola Solutions Post-Employment Medical Plan
 - within 60 days of their eligibility for retiree medical and **forego** the COBRA subsidized medical coverage, or,
 - continue coverage through COBRA and enroll in the Post-Employment Medical Plan during the open enrollment period following their retirement (typically in November and December preceding a January 1 effective date), or,
 - within 60 days of the exhaustion of the subsidized COBRA, or
 - within 60 days of when COBRA is exhausted (i.e., generally at the end of an 18 month period).

NOTE: If you have terminated your employment and are covered on MSI's active medical plan because your spouse or domestic partner is also a Motorola Solutions employee, and you are otherwise eligible for the Post-Employment Medical Plan, you may defer your HRA start date. You must then enroll within 60 days of becoming eligible for the Post-Employment Medical Plan (are no longer covered under the MSI active medical plan).

Who's Eligible

To be considered an eligible "retiree" for coverage, you and your dependents must meet certain eligibility requirements, which are described below.

You must utilize Mercer Marketplace 365 to purchase medical coverage to be eligible for the HRA. If you don't purchase coverage through Mercer Marketplace 365, you will not be eligible for an HRA.

About These Eligibility Rules

The eligibility rules below describe the retirees who are eligible for the pre-65, non-Medicare-eligible, retiree medical program. Remember: the medical benefits consist of two components. First, you must purchase individual or family medical coverage through Mercer Marketplace 365. If you meet that requirement, an HRA will be established in your name, and your HRA will be funded with Motorola Solutions benefit credits.

Your Eligibility Requirements

As a former employee, you are eligible for the pre-65, non-Medicare retiree medical program if you began employment before January 1, 2005 and:

- You're a current retiree eligible for and receiving retiree coverage through the Plan; or
- When your employment ends, your combined age and service equals at least 75 (e.g., you're age 65 with 10 years of service); or
- When your employment ends, you're:
 - Age 55 with 20 or more years of service
 - Age 56 with 18 or more years of service
 - Age 57 with 16 or more years of service
 - Age 58 with 14 or more years of service
 - Age 59 with 12 or more years of service
 - Age 60 or over with 10 or more years of service; or

Only full and complete years of service (no partial years) are considered in determining eligibility for retiree coverage.

If you joined Motorola Solutions or one of its participating subsidiaries as a result of a merger, an acquisition, or the ending of a joint venture in which the company or its subsidiary took part on or after January 1, 2000, you'll be eligible only if, and to the extent that, Motorola Solutions expressly extended retiree coverage to your group.

You're not eligible for retiree coverage through the Plan if you began employment with Motorola, Inc. (or Motorola Solutions, Inc.) on or after January 1, 2005, or you don't meet the necessary age and service requirements for retirees when your employment terminates. [Contact](#) the Motorola Solutions Employee Service Center at (800) 585-5100 if you have questions about your eligibility for coverage.

Remember, you must remain enrolled in individual or family medical coverage through Mercer Marketplace 365 to continue to be eligible for contributions to your HRA.

Benefit Credits for Enrolled Dependents

If you meet the eligibility criteria described above and purchase medical coverage through Mercer Marketplace 365, an HRA will be set up in your name. Motorola Solutions will fund your HRA with certain “benefit credit” contributions. (The amount of benefit credits is described later in this Benefits Book.)

In addition to the benefit credits you earn after purchasing Mercer Marketplace 365 coverage for yourself, Motorola Solutions may make an *additional* contribution to an HRA if your eligible dependents are enrolled for medical coverage through Mercer Marketplace 365 and one person in your household is age 65 or older or eligible for Medicare. (See “Split Families” on page 8). However, please note that you will only receive a benefit credit for dependents that were covered as your dependent under the Motorola Solutions’ health plan for active employees prior to your retirement. This means that you cannot receive benefit credits for a dependent that you acquired after retirement.

When applicable, you will be eligible to receive a contribution (or “benefit credit”) for the following individuals:

- Your legally recognized spouse;*
- Your domestic partner; or
- Your unmarried dependent child who’s your:
 - Natural-born child;
 - Adopted child or child placed with you for adoption (even if the adoption is pending and not yet final);
 - Stepchild who lives with you;
 - Child for whom you have legal guardianship; or
 - Domestic partner’s child who lives with you (see [Domestic Partner](#) for details regarding eligibility).

Such dependent children are eligible for coverage until age 24, regardless of student status.

Incapacitated Dependent Requirements

If your eligible child was covered under Motorola Solutions’ active or retiree health plan on December 31, 2010, and became disabled while covered, you may receive benefit credits with respect to him or her beyond age 23. You must show that your child is incapable of sustaining employment because of a mental or physical disability and furnish proof of incapacity and dependency to the Plan Administrator within 60 days of when your child turns age 24. [Contact](#) the Motorola Solutions Employee Service Center for further details.

Spouse/Domestic Partner

If you’re married or in an eligible domestic partnership (as defined below) at the time of your retirement from Motorola Solutions, your spouse/domestic partner will be eligible to enroll in medical coverage through Mercer Marketplace 365. You may be eligible for additional HRA benefit credits if he or she is

enrolled for medical coverage through Mercer Marketplace 365. Please see information on “Split Families.”

If you get married or establish a domestic partnership after retirement, your spouse/domestic partner may enroll for health care coverage through Mercer Marketplace 365, but you will not be eligible for additional HRA benefit credits based on his or her enrollment.

SPOUSE/SURVIVING SPOUSE

Throughout this Benefits Book, “spouse” or “surviving spouse” refers to a person to whom you are legally married if the marriage is recognized in the jurisdiction in which you were married.

Domestic Partner

Your domestic partner must be an adult who is the same or opposite sex as you, to whom you are not married, and:

- You and your domestic partner have registered your domestic partnership or have entered into a civil union in accordance with the applicable city, county or state laws; or
- In the absence of domestic partner registration, you and your partner meet all of the following requirements:
 - Are at least 18 years of age;
 - Aren’t related to one another to a degree that would prevent marriage under the law of the state where you reside;
 - Aren’t married to another person under statutory or common law, and neither of you is in another domestic partnership;
 - Are in a single, dedicated relationship with each other, and have been in such relationship for a minimum of six consecutive months, and intend to remain in the relationship indefinitely; and
 - Share the same residence and have shared the same residence for a minimum of six consecutive months.

Once you enroll for medical coverage and become eligible for HRA participation, you may not cancel retiree coverage and reenroll at a later date. Once retiree HRA participation ends for either you or your dependents for any reason, the Motorola Solutions HRA contributions will permanently end.

Important Note About Domestic Partners

If you receive additional benefit credits because your eligible domestic partner enrolls for coverage through Mercer Marketplace 365, be aware that you will not be able to use your HRA funds to pay for premiums or other medical expenses incurred by your domestic partner unless he or she qualifies as your dependent for tax purposes. Please consult your tax adviser to determine whether your domestic partner qualifies as your tax dependent.

Proof of Dependent Eligibility

The Motorola Solutions Employee Service Center may require verification of your dependent's status at any time, including a valid Social Security number. If you don't provide the necessary verification on a timely basis as requested, coverage for your dependent may be terminated.

Divorce or End of Domestic Partnership

Ex-spouses and former domestic partners are not considered eligible dependents under the Plan. This means that you are not eligible to receive benefit credits for an ex-spouse/domestic partner. You must notify the Motorola Solutions Employee Service Center within 31 days of the date of your divorce or the date your domestic partnership ends.

Who Is Not Eligible for Benefit Credits

You cannot receive pre-65 HRA benefit credits with respect to a dependent if:

- Your dependent was not a covered dependent under the Motorola Solutions health plan for active employees as of your retirement (i.e., the day you terminated employment); or
- Your spouse/domestic partner reaches age 65 or becomes otherwise eligible for Medicare; or
- Your dependent child turns age 24 (See above for special rules regarding disabled children.)

Eligibility for HRA Participation

Besides meeting the applicable eligibility requirements described above, to be eligible to participate in the Health Reimbursement Account (HRA), you and your dependents **must purchase an individual or family medical plan through Mercer Marketplace 365 to become a participant in the HRA.**

For HRA participation and health care coverage purchased through Mercer Marketplace 365, you and your dependents are eligible as of the first day of the month after your active Motorola Solutions health care coverage ends.

After you and/or your eligible dependents enroll through Mercer Marketplace 365, you will receive instructions on how to access and manage your HRA, claims and processing information, and details to set up [Direct Deposit](#).

You can elect a different individual or family medical plan through Mercer Marketplace 365 during any enrollment period.

Who's Not Eligible

The following are not eligible to participate in the pre-65 medical program:

- You, if you do not meet the Plan's eligibility requirements or you are not eligible for the company's subsidy;
- A retiree who is age 65 or older or who is eligible for Medicare;
- A pre-65 retiree who has not purchased medical coverage through Mercer Marketplace 365;
- A retiree who is not eligible for retiree coverage;
- You, if you move outside of the U.S. and do not maintain a U.S. address

U.S. PRE-65 RETIREE HEALTH CARE BENEFITS BOOK
Effective: January 1, 2018

If your dependent is eligible in a “Split Family” situation, you will not receive benefit credits for any of the following dependents:

- A spouse/domestic partner who is age 65 or older or eligible for Medicare;
- A dependent who was not covered as your dependent at the time you terminated your employment with Motorola Solutions;
- A dependent who has not purchased coverage through Mercer Marketplace 365;
- A dependent who does not meet the Plan’s eligibility requirements;
- A dependent child aged 24 or older.*

Plan Ahead!

You should [contact](#) Mercer Marketplace 365 about the enrollment process approximately **two months** before you plan to retire. Mercer Marketplace 365 benefit counselor will provide you with information about the coverage options available to you and help you select and enroll in a plan. You can also enroll for dental and/or vision coverage through Mercer Marketplace 365. After you’ve enrolled, the Mercer Marketplace 365 customer service team is available to answer your questions, provide claims support and assist you with reimbursements from your HRA.

Medical coverage under the individual or family plan you elect through Mercer Marketplace 365 must become effective within 60 days of the date you first become eligible for the HRA. If coverage becomes effective after the 60-day window, you are not eligible for the HRA except in the following cases:

- You continued your active medical coverage through COBRA and enrolled in a Mercer Marketplace 365 plan either during the annual enrollment period following your retirement (generally held in November or December) or within 60 days of when your COBRA was exhausted (generally after 18 months of COBRA coverage). If you are covered by MSI-subsidized COBRA during a voluntary or involuntary severance period, you must enroll within 60 days of when your COBRA subsidy is exhausted; In service areas where the Mercer Marketplace 365 options are limited, you will be eligible to receive the HRA benefit credits while enrolling in the public healthcare marketplace if Mercer Marketplace 365 approves the enrollment.
- If you are on Medicaid, Tricare, or taking the tax credit instead of the MSI HRA, you may still receive the HRA in future years, as long as you enroll at the time you are first eligible for retiree benefits and Mercer Marketplace 365 approves the enrollment.

You and your dependents under age 65 may each enroll in separate medical plans or you can enroll in a family plan through Mercer Marketplace 365. When you enroll through Mercer Marketplace 365, an HRA will automatically be set up in your name for reimbursement of health care premiums and other eligible health care expenses.

*You may, however, use your HRA for reimbursement of your dependent children’s eligible health care expenses until the child turns age 26.

Each year, you'll have an enrollment period during which you can enroll in a different medical plan to begin as of the next January 1. Mercer Marketplace 365 will communicate the annual enrollment period (generally in November and early December).

Split Family A “split family” situation is one in which one family member is Medicare-eligible due to reaching age 65 or becoming otherwise eligible for Medicare and the other family members are under age 65 and not otherwise eligible for Medicare.

If you reach age 65 or become Medicare eligible before your spouse/domestic partner, you may purchase a medical Medicare Supplement Plan or Medicare Advantage Plan through Mercer Marketplace 365. Once you enroll for medical coverage through Mercer Marketplace 365, the applicable benefit credits will be added to your existing HRA. Your pre-65 spouse/domestic partner and your eligible dependent children may remain enrolled in pre-65 health coverage offered through Mercer Marketplace 365.

If your spouse/domestic partner reaches age 65 or becomes Medicare eligible before you: If you are not age 65, but your eligible spouse/domestic partner is age 65 or over or becomes Medicare eligible, he or she may purchase a medical Medicare Supplement Plan or Medicare Advantage Plan through Mercer Marketplace 365 — as long as you continue your pre-65 medical coverage through Mercer Marketplace 365. Once your dependent enrolls for medical coverage through Mercer Marketplace 365, the applicable benefit credits will be added to their existing HRA.

See the separate *Medicare Retiree Health Care Benefits Book* for more details about post-65 or Medicare eligible retiree benefits. You may view or download a copy of the book from the retiree website at <http://mysolutions-benefits.com/retirement>. If you were on a Medical Plan through Mercer Marketplace 365 prior to turning 65, your new Medicare Supplement or Advantage Plan will be through Mercer Marketplace 365.

Coverage outside the U.S.

If you move outside the U.S., you will continue to be eligible for the HRA as long as you maintain a U.S. address and are eligible for and enrolled in a medical plan through Mercer Marketplace 365.

When Participation Begins

You and your dependents become participants in the HRA on the first day of the month after you:

- Terminate employment after meeting the retiree eligibility rules; and
- Lose eligibility and/or coverage through the active Motorola Solutions health plans; and
- Purchase medical coverage through Mercer Marketplace 365.

When Participation in the HRA Ends

Your participation in the HRA ends on the earliest of the following dates:

- The date you are no longer enrolled in medical coverage through Mercer Marketplace 365, including your death, except as noted in the “Plan Ahead” section on page 7;
- The date you are rehired as an active employee of Motorola Solutions and drop your individual or family medical plan;
- The date you commit fraud or misrepresentation on the Plan;
- The date the HRA is amended, resulting in your ineligibility for HRA participation; or
- The date the HRA is terminated.

If a Retiree Dies Before His or Her Spouse/Domestic Partner

If you die before your spouse/domestic partner, the HRA in your name will change to your surviving spouse’s/domestic partner’s name (or oldest child’s if you don’t have an eligible spouse/domestic partner), as long as he or she is under age 65 and eligible for the HRA. In addition, your dependent(s) will continue to receive benefit credits to the HRA, as long as they remain eligible for the HRA.

When your spouse/domestic partner turns age 65 or otherwise becomes eligible for Medicare, he or she may become eligible for the post-65 HRA benefit credits, as long as he or she maintains coverage under the Plan and then enrolls for Medicare Supplement or Medicare Advantage coverage through Mercer Marketplace 365 within 31 days after he or she becomes eligible for Medicare.

DEADLINE FOR FILING CLAIMS FOLLOWING YOUR DEATH

Claims must be submitted no later than 180 days after your death to be eligible for reimbursement from your HRA.

If a Retiree Dies with No Surviving Dependents

If you are participating in the HRA upon your death and you don’t have any surviving eligible dependents, your HRA is forfeited. However, your estate or representative may submit claims for reimbursement of eligible health care expenses incurred during your participation in the HRA within 180 days of your death.

If a Retiree Is Rehired

If you are participating in the HRA, are rehired and drop your medical plan through Mercer Marketplace 365, you may submit claims for up to 180 days after your HRA participation ends. In this case, no additional contributions will be made to your HRA until your subsequent retirement and participation in a medical plan through Mercer Marketplace 365 starts again. [Contact](#) Mercer Marketplace 365 for information before you drop your medical coverage. If you wish, you can opt out of the company medical coverage for active employees and retain your individual or family medical coverage through Mercer Marketplace 365.

Spouse/Domestic Partner/Children

A dependent's Health Reimbursement Account (HRA) participation ends on the earliest of the following dates:

- The date he or she is no longer enrolled in medical coverage through Mercer Marketplace 365, including death;
- The date the former employee is no longer enrolled in medical coverage through Mercer Marketplace 365, except in the case of death;
- In the case of a spouse/domestic partner, the date you divorce or end your domestic partnership;
- The date he or she commits fraud or misrepresentation on the Plan;
- The date the HRA is amended, resulting in the dependent's ineligibility for HRA participation; or
- The date the HRA is terminated.

DEADLINE FOR FILING CLAIMS FOLLOWING YOUR DEPENDENT'S DEATH

Claims must be submitted no later than 180 days after your dependent's death to be eligible for reimbursement from the HRA.

Divorce/End of Domestic Partnership

Your ex-spouse/domestic partner is not eligible to continue to receive HRA benefit credits from Motorola Solutions.

You must notify the Motorola Solutions Employee Service Center within 31 days of the date of your divorce or the date your domestic partnership ends.

When your ex-spouse/domestic partner and/or dependent loses HRA coverage due to a COBRA qualifying event such as divorce, COBRA enrollment information will be mailed to his or her address on file. (See below for more information.)

Continuing HRA Coverage under COBRA

The Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA") is a federal law that gives your spouse/domestic partner and children the right to temporary continuation of HRA coverage. If your spouse/domestic partner or child incurs an event known as a "qualifying event" (defined below), and if you (or your surviving spouse/domestic partner and/or child) are a participant in the HRA when the qualifying event occurs, the individual incurring the qualifying event will be entitled under COBRA to elect to continue his or her coverage under the HRA. "Qualifying events" are certain types of events that would cause, except for the application of COBRA's rules, an individual to lose his or her HRA coverage.

Coverage under the HRA is different from the benefit credits offered by Motorola Solutions. An individual's "coverage" under the HRA terminates when the HRA is no longer permitted to reimburse that person's expenses under tax law. So, for purposes of the HRA, a qualifying event includes the following:

- A spouse's divorce from a retiree who participates in the HRA;
- The termination of a domestic partnership that causes the domestic partner to lose status as the retiree's tax dependent;
- A child turning age 26.

In the case of any of these qualifying events, you must notify the Motorola Solutions Employee Service Center at (800) 585-5100 no later than 60 days from the date of the qualifying event.

You will receive notification of the amount of the contribution with your COBRA notice and election form within 14 days from notification of the qualifying event.

Under the law, the continuation coverage beneficiary has 60 days to elect continuation coverage from the later of the day:

- Coverage would otherwise end because of one of the qualifying events described here; or
- The notice of your qualified beneficiary's right to elect continuation coverage is sent to him or her.

Failure to timely elect COBRA coverage will result in the qualified beneficiary's loss of coverage under the HRA effective as of the qualifying event.

COBRA continuation coverage may continue for a period of up to 36 months. To continue coverage, the applicable contribution and 2% administrative fee must be paid during the 36-month period of continuation coverage. The COBRA contribution amounts will be communicated at the time of the qualified beneficiary's election.

The first COBRA payment (due within 45 days of your election) must include the COBRA contribution for the entire period from the date continuation coverage began through the month of the payment. Subsequent contributions are due on the first of the month, whether or not the qualified beneficiary receives a bill. If monthly contribution is not received within 30 days of the due date, continuation coverage is cancelled as of the last day of the month in which the qualified beneficiary paid a contribution.

Continuation coverage for a beneficiary continues until the earliest of the following:

- The end of the applicable 36-month continuation coverage period; or
- The day a continuation coverage beneficiary fails to pay the required monthly contribution within 30 days of its due date.

Introduction

The HRA is a way for you to be reimbursed, on a tax-free basis, for health care premiums and other eligible health care expenses you pay out of your pocket. If you are eligible to participate in the HRA, Motorola Solutions will add an annual contribution (benefit credits) to the HRA in your name (or, if you die, in the name of your surviving spouse/domestic partner). The annual amount Motorola Solutions will credit to the HRA is explained below.

Participation in the HRA

Your Account

The HRA is different from the coverage you may have received through the active employee Plan. Participation in the HRA means that an HRA is set up in your name and funded with contributions (“benefit credits”) from Motorola Solutions.

As discussed earlier in this Benefits Book, participation is limited to retirees who meet the HRA eligibility rules.

When you participate in the HRA, your account is eligible to receive benefit credit contributions from Motorola Solutions to help you pay for the individual medical coverage you select through Mercer Marketplace 365 and other eligible health care expenses. (See "[Contribution Information](#)" below.) You can also use your HRA balance to pay the premiums for coverage purchased through Mercer Marketplace 365 by or for your dependents. Please note that you cannot make your own contributions to the HRA. Under federal tax law, an HRA can be funded only through contributions from Motorola Solutions.

A HRA will be established when you enroll for medical coverage through Mercer Marketplace 365. As explained later in this SPD, you and your dependents do not have a vested right to the amounts in the HRA. The HRA is not a formal trust account; it is merely a bookkeeping account in the general assets of Motorola Solutions.

Reimbursements

You can use your HRA to reimburse certain eligible health care expenses that have been incurred by you, your spouse/domestic partner, and/or your eligible dependents. These reimbursements are generally tax-free, which means that you can receive reimbursement only for eligible health care expenses incurred by individuals who are your "dependents" under the Internal Revenue Code. ***This has important implications if you are in a domestic partnership. If your domestic partner does not qualify as your "tax dependent," you will not be able to reimburse his or her medical expenses from your HRA.*** Consult your tax adviser to determine whether an individual qualifies as your dependent for tax purposes.

Contribution Information

Coverage through Mercer Marketplace 365

You pay the full cost of coverage you purchase through Mercer Marketplace 365. You must elect individual or family medical coverage through Mercer Marketplace 365 to be eligible to participate in the HRA.

Health Reimbursement Account Contributions

If you meet the eligibility criteria and elect medical coverage through Mercer Marketplace 365, you are eligible to receive a tax-free Health Reimbursement Account (HRA) contribution from Motorola Solutions. The contributions are called "benefit credits." The amount of benefit credits that Motorola Solutions contributes to your HRA is based on:

- Whether you met the Plan's eligibility requirements as indicated under [Your Eligibility Requirements](#);
- When you elect medical coverage through Mercer Marketplace 365; and
- Whether your spouse/domestic partner or children (if any) elect medical coverage through Mercer Marketplace 365.

The charts below explain the benefit credits available to you.

Family Eligibility	Motorola Solutions' annual HRA contribution (benefit credits)
One or more person(s) enrolled for medical coverage under age 65 and not Medicare-eligible*	\$3,500

* If “split family” where one or more eligible family members are age 65 or more or otherwise Medicare-eligible, they will continue to receive the applicable post-65 HRA/Medicare contribution.

Motorola Solutions will review the amount of benefit credits allocated to the HRA each year and may adjust the amount from time to time.

If You Become Eligible for the HRA during the Year

If you (and your dependent(s)) become eligible to enroll for coverage through Mercer Marketplace 365 during the year, the annual benefit credit will be prorated according to the number of months remaining in the calendar year. Therefore, if you become eligible at any time during the year other than January 1, the prorated amount will be based on the month in which you become eligible.

If you disagree with the amount in your HRA, contact Mercer Marketplace 365 at (844) 851-5426 TTY: (800) 695-1317.

When Benefit Credits Are Added to Your HRA

If you do not use all of the benefit credits in your HRA during the year, the remaining balance will be rolled over into your HRA for the next year — as long as you remain eligible for the HRA. Benefit credits are available as of January 1 of each year of HRA eligibility. If participation begins during the year, the prorated amount of benefit credits is available on the first day of the month in which you and/or your dependents become participants in the HRA.

Account Reminders

Once a year (generally in October), a Balance Reminder about your available HRA balance will be sent to you (if there has been no activity on your account in the 90 days prior to the mailing). This reminder confirms the annual funding made to your account.

You can obtain your available balance and reimbursement history at any time on the Mercer Marketplace 365 website at <http://retiree.mercermarketplace.com/MSIAccess>. Or, you can call Mercer Marketplace 365 at (844) 851-5426 (TTY: (800) 695-1317). Benefit advisers are available between 7 a.m. and 4:30 p.m. Central time, Monday through Friday.

Tax Information

The amount that is credited to your Health Reimbursement Account (HRA) and any expenses reimbursed from your HRA generally are not taxable to you or your dependents. However, expenses reimbursed for your domestic partner or your domestic partner's children may be taxable. In addition, any reimbursements for ineligible health care expenses may be taxable to you. For example, if you attempt to reimburse expenses for an individual who is not your tax dependent, you will be taxed on those reimbursements.

If you have any questions about taxes, contact your tax adviser.

Eligible Health Care Expenses

You may use your HRA for reimbursement of certain eligible health care expenses, provided the expense:

- Has been incurred by you, your spouse or your eligible tax dependent;*
- Is not reimbursed or reimbursable under any private, employer-provided or public health care reimbursement or insurance arrangement (including under any Motorola Solutions-sponsored health care plans);
- Doesn't exceed your HRA balance;
- Is incurred while you are participating in the HRA;** and
- Is not excluded under Internal Revenue Code Section 213.

For a complete list of expenses allowed by the Internal Revenue Service (IRS) and any special requirements for a service or supply that can be reimbursed from your HRA, refer to IRS Publication 502 or contact your tax adviser. This publication is available by calling 1-800-TAX-FORM (1-800-829-3676). You can also access IRS Publication 502 by visiting the IRS website at www.irs.gov/pub502.

Expenses are eligible only to the extent that they are not paid for by your health care coverage. The HRA does not reimburse any expense that exceeds the balance in your account as of the date on which Mercer Marketplace 365 processes the claim. Examples of eligible expenses include, but are not limited to, the following treatments, medical products and services:

- Acupuncture;
- Alcoholism and drug abuse treatments;
- Ambulance services;
- Artificial limbs;
- Blood pressure monitors;
- Chiropractor services;

*Consult your tax adviser to determine whether other members of your household (such as your domestic partner or child) qualify as your tax dependents.

A health care expense is "incurred" when the care is **provided, not when you are billed or charged for it, or when you pay for the expense.

- Christian Science practitioner services;
- COBRA premiums;
- Deductibles, nonprescription drug copayments (copays) and coinsurance;
- Dental treatments;
- Hearing aids;
- Heart defibrillators;
- Hospital expenses;
- Immigration immunizations;
- Insulin;
- Laboratory fees and X-rays;
- Medical alert programs (when accompanied by a physician's diagnosis letter);
- Pill crushers;
- Premiums for health care coverage, including Medicare Part B and Part D;
- Prescription drugs;
- Psychiatric care;
- Radial keratotomy;
- Smoking cessation drugs that require a prescription and programs to stop smoking;
- Vaccines;
- Vision care; and
- Wheelchairs.

Note: Over-the-counter (OTC) medication expenses, such as pain relievers and cold medications, are eligible for reimbursement only with your health care provider's prescription or statement of medical necessity. (This rule does not apply to insulin.)

Applying for Benefits

Deadline for Claims

You have 180 days from the date participation ends to file a request for reimbursement after you are no longer eligible for the Health Reimbursement Account (HRA). For example, you are no longer eligible for an HRA if you drop your coverage under a medical plan through Mercer Marketplace 365.

The 180-day deadline doesn't apply as long you remain eligible to receive a Motorola Solutions contribution to your HRA. Expenses must be submitted by March 31st of the year following that in which they were incurred, however.

How to Get Expenses Reimbursed

Mercer Marketplace 365 administers the HRA for Motorola Solutions and processes your reimbursements.

Direct Deposit

You have the option of signing up for direct deposit of reimbursements to an account in a financial institution (for example, your checking or savings account). Approved claims received Monday through 12 p.m. EST on Friday will be reimbursed Friday of the following week, excluding bank holidays. Direct deposits are made that Friday. Hard checks will be issued Friday and take approximately 3-5 business days to be delivered.

You can sign up for direct deposit by using the Mercer Marketplace 365 Direct Deposit Authorization Agreement available upon request or downloaded from the website or online at Mercer Marketplace 365's website.

Filing a Claim for Reimbursement

If you (or your dependent) incur an expense that is eligible for benefits under any medical, prescription drug, dental or vision care plan, you must first submit the expense to all appropriate plans before you submit the claim for reimbursement to the HRA. In addition, if you are eligible for a health care reimbursement account (for example, a health care flexible spending account) in a cafeteria plan under Code Section 125, you must first request reimbursement from that account, up to the maximum contribution. Then, submit the claim to the HRA for the unreimbursed amount.

You must submit all eligible expenses using the Mercer Marketplace 365 HRA claim form either by mail, by fax or online. This form may be downloaded from the website or mailed upon request. <http://retiree.mercermarketplace.com/MSIAccess> to print a claim form.

Information Required When Filing a Claim for Reimbursement

If you file a claim for reimbursement, you must do so, online or in writing, by U.S. mail, email or fax. When you file a claim for reimbursement, include the following:

- The amount of the health care expense for which you're requesting reimbursement;
- The date you incurred the health care expense;
- A description of services rendered
- The name of the person who incurred the health care expense and, if the person is not the retiree or surviving spouse/domestic partner, the person's relationship to you;
- Service Provider

- A statement that you (or your eligible spouse/domestic partner or child) have not been (and will not be) reimbursed by insurance or otherwise, and you haven't been allowed a tax deduction in a prior year for (and will not claim as a tax deduction) the health care expense under Code Section 213; and
- A written bill or explanation of benefits (EOB) from the health care service provider stating that you incurred the health care expense, the amount of the expense and, at the discretion of Mercer Marketplace 365, a receipt showing you made the payment.

Mercer Marketplace 365 may require you to submit a bill, receipt, cancelled check or other written evidence or certification of payment or proof of your obligation to pay the health care expense. Verbal or handwritten information for general merchandise, illegible receipts and statements with a forwarding balance are not accepted.

Submit your completed claim form directly to Mercer Marketplace 365 at:

Mercer Marketplace 365 PO Box 14401 Des Moines, IA 50306 Fax (857) 362-2999

or online at <http://retiree.mercermarketplace.com/MSIAccess>.

Receiving Reimbursements

You can request and receive reimbursements up to your current Health Reimbursement Account (HRA) balance.

Timing of Reimbursement

Once Mercer Marketplace 365 receives and approves your claim and related receipts, your claim generally will be processed within three to five business days. However, the regulations allow up to 30 days, plus an additional 15 days if needed, to conduct a review. Mercer Marketplace 365 will notify you if the additional 15-day period is needed. If this extension is needed because information that is necessary to review the claim was not provided, Mercer Marketplace 365 will describe the information needed. You will have up to 45 days from the date you receive the request for information to submit it. If you do not submit the requested information within the 45-day period, you must resubmit the entire claim. In this case, if the resubmitted claim is still incomplete, it will be discarded and may not be resubmitted again.

Once your claim is approved, you will receive a payment (no minimum reimbursement applies). Claims received Monday through noon Friday ET are generally reimbursed Friday of the following week. If your reimbursement is by check, you should receive it within 14 days. Visit the Mercer Marketplace 365 website for the most current status of your claim.

If a Claim for Benefits Is Denied

If your claim for benefits is denied, in whole or in part, you will receive written or electronic notice that will include:

- The specific reason or reasons for the denial;
- Specific reference to pertinent Plan provisions on which denial is based;
- A description of any additional material or information necessary for you to perfect the claim and an explanation of why such material or information is necessary;
- A copy of any internal rule, guideline, protocol or other similar criterion relied upon in making the initial determination or a statement that such a rule, guideline, protocol or other similar criterion was relied upon in making the appeal determination and that a copy of such rule will be provided to you free of charge upon request; and

U.S. PRE-65 RETIREE HEALTH CARE BENEFITS BOOK
Effective: January 1, 2018

- A description of the Plan's appeal procedures and the time limits applicable to such procedures, including a statement of your right to bring civil action under ERISA Section 502(a) to appeal any adverse benefit determination upon review.

Your Right to Appeal

If your request for eligibility for coverage or participation in the Health Reimbursement Account (HRA) is denied, in whole or in part, you may request a review of the denial. Your request for review must be in writing, and it should contain the reasons why you believe you're entitled to benefits, as well as any additional information or documentation to support your claim.

Second Level of Review

If your appeal is denied, you may submit a written second-level appeal of that denial. You'll receive the final decision about your appeal in writing. This decision will give you the specific reasons for the decision and also provide you with the corresponding Plan provision(s). The decisions are final and binding on all parties except as required by law. You or your covered dependents must exhaust all of the internal administrative remedies described above prior to bringing an action for benefits under the Plan as described under Section 502(a) of ERISA.

Deadline for Filing a Lawsuit

The deadline for filing a claim for benefits in court under Section 502(a) of ERISA is 180 days from the date of the final level of appeal decision.

ERISA Rights

As a Plan participant, you’re entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that you’re entitled to:

Receive Information about Your Plan and Benefits

- Examine without charge all Plan documents, including insurance contracts, and copies of all documents filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration, such as annual financial reports (Form 5500 Series).
- Obtain copies of documents governing the operation of the Plan, including insurance contracts, and copies of the latest annual report (Form 5500 Series) and updated summary plan description upon written request to the Plan Administrator. The Plan Administrator may make a reasonable charge for the copies.
- Receive summaries of the Plan’s annual financial reports. These summaries are prepared and distributed to Plan participants each year. The Plan Administrator is required by law to furnish each participant a copy of the summary annual report.

Continue Group Health Plan Coverage

- Under a group health plan, you may be able to continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the group health plan as a result of a qualifying event. You and your dependents may have to pay for such coverage. Review this Benefits Book and the documents governing the Plan regarding the rules governing your COBRA continuation coverage rights.
- There may be reduction or elimination of exclusionary periods of coverage for pre-existing conditions under your group health plan. You should be provided with a certificate of creditable coverage, free of charge, from your group health plan or health insurance issuer when you lose group health care coverage under the Plan, when you become entitled to elect COBRA continuation coverage, when your COBRA continuation coverage ceases, if you request it before losing coverage or if you request it up to 24 months after losing coverage. Without evidence of creditable coverage, you may be subject to a pre-existing condition exclusion for 12 months (18 months for late enrollees under HIPAA) after your enrollment in your coverage.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the Plan. The people who operate the Plan, called “fiduciaries,” have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries.

No one, including your employer or any other person, may discharge you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied in whole or in part, you must receive a written explanation of the reasons for the denial. You have the right to know why this was done, to obtain copies of documents relating to the decision without charge and to appeal any denial, all within certain time schedules.

Under ERISA there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If you have a claim for benefits that is denied or ignored, in whole or in part, you may file suit in a state or federal court after you have exhausted the Plan’s claims procedures. In addition, if you disagree with the Plan’s decision or lack thereof concerning the qualified status of a medical child support order, you may file suit in federal court after you have exhausted the Plan’s claims procedures. If it should happen that Plan fiduciaries misuse the Plan’s money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the Plan Administrator to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, if, for example, it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about the Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance obtaining

documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory, or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, NW, Washington, DC 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
